CASE STUDY # 4

1. Do you know anyone who practices Wicca? If so, describe the person's practices.

No, I don't know any of the person who are **practice Wicca** because we are living in Pakistani culture and Pakistani culture are based on Muslim **religion** and according to Islam **Wicca** are high sin and they are out of Islam.

2. Do you think that Wicca should be considered a religion? Why or why not?

No, I don't think so because **Wicca** is somehow against of every **religion**. Even you see from any aspect of religion it is not consider as ethical and it's a sin in every religion.
